Over the last year dispatch has had a large influx of 911 hang up calls. From January 1st to present (07/27/21), dispatch has received 648 – 911 Hang Up calls. This is nearly 6% of the calls coming into the center.

Listed are some of the actions dispatch staff takes when receiving a 911 hang up.

- Attempt call back to verify emergencies - leave message
- If call plots - dispatch officers
- Check in house records for phone number/contact info.
- Contact cell phone company attempting to get contact info or start location (ping)
- Dispatch Officers

A vast majority of these calls originate from I-Phones. A recent update on the I-Phone allows the phone to call 911 if the volume or power button are hit in a rapid succession.

Total number of phone calls received:

June 2021 – 4,647

June 2020 – 4,746

Calls for Service (CAD):

June 2021 – 1,850

June 2020 – 1,801

Coroners Report:

There are more reportable deaths this year than there were last year at this time. Main cause of deaths are still cancer and heart disease related. Our office has also reported to Public Health when someone who has known to have had a COVID Vaccine has passed away within 2 weeks of the shot. Drug overdoses that lead to deaths are down however we still have many drug overdoses that do not die thanks to the efforts of our First Responders, EMS, and Law Enforcement.

Been running into more and more deaths where it is hard to find Next of Kin or family's that don't want to take responsibility for decedent's which then incurs costs to the county.

Looking into purchasing a vehicle for the coroners office to keep a complete set of equipment for investigations as well as taking body's from scene when finding next of kin to make decisions becomes time consuming as well as transporting to Midwest Medical Examiner's for Autopsy's. We can also charge for body removal which can help offset the costs. Cost for transports are going up and sometimes it is difficult to line up transports on short notice especially on high profile cases or when funeral homes have limited staffing.
