Call to Order –Chair James Schlender called the meeting to order at 9:00 am. Roll Call taken. Quorum was met.

Certification of Compliance with the open meeting law was met.

Meeting Agenda

Public Comment – A written public comment from Louise Ladenthin was read into record.

Minutes from Previous Meeting – A motion was made by Mr. Buckholtz to approve the minutes of the September 2, 2021, meeting; second by Mr. Peters. Motion carried without negative vote.

Circuit Court Report – Mr. Hoff provided an update on the construction meeting progress, indicating that security measures/equipment and interior finishes have been reviewed. Bids are expected to go out by the end of 2021.

Clerk of Court Report – Written report was provided. Ms. Kelsey advised that there is only one trial court left on the October schedule and a new Family Court Commissioner has been appointed. TJ Duffy has filled this position.

District Attorney's Office Report

Child Support Department Report – A written report was provided.

Sheriff's Department Report – Written reports were provided. Sheriff Mrotek advised that the bear hunting season is coming to an end soon and calls over the season were within the range considered normal. Chief Sajdera reported that a meeting was held with CenturyLink on final grant plans and the department has been working with the Clerk of Courts staff to implement a new electronic reporting system. The system provides a work flow tracker which should help in court case management.

Lieutenant Ripczinski advised that the County had its first fatal accident of the year, though numbers remain low. Chief Sajdera presented an RFP for Jail food service providing three different bids, including the current service. Mr. Van Etten made a motion to accept the RFP; no second followed and motion failed. The current food service at this time appears to be the one being retained for next year. The RFP follows the County protocols.

Sheriff Mrotek presented a copy of the last Cooperative Law Enforcement Agreement between the County and LCO. The agreement's statistics will be reviewed by both entities before being presented next month for approval at committee and board levels.

Coroner's report – A written report was provided.

Emergency Management Department Reports – No report this month.

Criminal Justice Coordinating Council Update – Chair Schlender reported that the diversion program is going to be implemented on a slower scale than originally anticipated. JusticePoint is still running above capacity and may reallocate some of its resources. A TAD grant has been submitted for planning purposes.

Ambulance Service Department report – A written report was provided. Mr. Dunston advised that three open positions remain in the department and he is awaiting vaccine mandate ruling from CMS. The DOT completed equipment and facility inspections. Ms. Roeker reviewed the ambulance coverage policy and advised that it appears to meet statutory requirements at this time. Mr. Hoff relayed that according to other counties reporting out at the September WCA conference, Sawyer is in a better position in staffing and providing ambulance coverage for the county than other areas are at this point in time.

Department Budget Update – Mr. Keefe provided an explanation of the budget layout documents for departments that fall within the purview of the Public Safety Committee. Changes and recommendations can still be made before bringing it back to Committee and Board level next month. At this time, it appears that there will be an increase in levy limit to meet budget.

Meeting Date/Time – The next meeting of the Public Safety Committee will be Thursday, October 28, at 9:00 am in the Assembly Room.

Meeting adjourned at 10:08 am

During a recent meeting with CenturyLink / Lumen we learned that the 911 Command post is currently on back order. We are hoping to have update from the company soon. This may present an issue as part of the grant requirements are the system hardware/software must be acquired and operational by the end of the year. Will be contacting the grant coordinator to discuss this concern.

Three prospective applicants that have completed their "shadows" in the dispatch center and we are currently in the process of scheduling testing and completing background investigations.

Sawyer County Communications System Specialist – Nov 2021 PS Committee Report

- 1.) **Sawyer County Microwave** – The equipment is arriving, and staging is starting to take place for the different sites. The equipment will be taken to the sites and await the tower climbers installation of it.
- 2.) **Meteor (Xcel) Tower Site** – The tower manager for Xcel has advised us that no agreement was ever made or put into place for tower usage. Xcel will need to have an agreement in place and they will start to charge us a yearly fee. They were not sure how we have not had an agreement in place prior to this point as well as not been assessed a yearly usage fee. A write up has been given to them in order to see what the cost would be based on equipment, antennas, antenna height, etc.
- 3.) **Tower Crews** – With this slight hold-up of the Meteor site and those details for the tower we have not received any exact pricing yet. At this point I am moving forward with work at the other sites of Pipestone, Winter, Moose Lake, and Hayward FT. My goal and hope is that we can add on the site for a minor cost.
- 4.) **Power and Site Shelter Hayward FT** – Power will be needed to be ordered for the Hayward FT site as well as a shelter being ordered. A partner has been identified that would like to use the fire tower site for some radio items and can provide the shelter. I will forward this information along and this will help offset the cost for the shelter as well as some power cost. Shelters right now can run between \$3,000 and \$5,000 depending on need.
- 5.) **Additional work** – New ID requests, monitoring WISCOM 2.0 RFP process, and answering questions about WISCOM's move to 800 MHz.
