Call to Order – Chair Ron Buckholtz called the meeting to order at 9:00 am. Roll Call taken. Quorum was met.

Certification of Compliance with the open meeting law was met.

Meeting Agenda

Public Comment – Linda Zillmer, Tish Keahna

Minutes from the previous meeting dated: April 6, 2023

Motion to approve made by: Mr. Savitski Second by: Mr. Helwig
Motion carried without negative vote.

Circuit Court --

Judge's Report –

Courthouse Remodel Update – Mr. Albarado advised the new courtroom is in use but the AV setup in the new Board Room is not complete. A temporary system is being developed in that room. The contingency fund is depleted. Additional expenses will be incurred for the remodel.

Clerk of Court's Office Reports -

A written report was provided. One Jury trial that was scheduled will need to be rescheduled due to AV problems in the courtroom.

Sheriff's Department Report –

Communication Center Report – Chief Sajdera provided an update on hiring and department progress.

Patrol Report – A written report was provided. Lt. Ripczinski reviewed the highlights of the report, including citations issued. Total crashes to date is at its lowest point in recent history. Staff has been completing leadership training and other additional training through Northwoods Technical College.

Jail Report – A written report was provided. Lt. Woller reported that average daily population in April was 72 ½; fourteen inmates are currently housed in Barron County. Inmate unemployment rates remain the same.

Communication Systems Specialist Report -

Code Enforcement – A written report was provided and reviewed the highlights, including the volume at the rabies clinic. The clinic will return next year. There has been an increase in at-large and barking complaints. Complaints on increases in trash dumping have started to come in.

Emergency Management --

Medical Examiner -- Written reports were provided. Ms. Ripczinski attended a regional meeting where flood outlooks were discussed. The Winter Dam road area had excess water, some roads in the county did get washed out. An LEPC meeting was held in April. Training for the communications center has begun with new staff. They are seeking quotes for updating radio comm equipment.

Child Support Department Report --

Child Support MOU – Mr. Albarado advised the essential components of the MOU have been settled; the last remaining piece is the charges for transfer of files. Once that is determined, the MOU will be back for consideration.

Emergency Services --

Ambulance Report – A written report was provided. Mr. Froemel reported that there were 135 runs in April, up from 120 last year. Billing contracts will be reviewed and possibly revised. There are several new hires in process; training continues and a new mannequin has been ordered to assist in advanced training.

Town of Edgewater Request – This item was brought forward from last month. No update at this time.

Ambulance Billing – A written report was provided. The reports determine that we have collected approximately the same amount of payments from less calls as last year; indicating a better return. We should receive additional Flex grant funds this year.

Medical Examiner Report – There are two staff people willing to work as Medical Examiners and they start in May. Training is underway at this time.

Criminal Justice Coordinating Council Update -

Mr. Albarado advised that treatment court is getting closer to launch. The diversion program appears to have some success.

Meeting Date/Time – The next meeting of the Public Safety Committee will be Thursday, June 1st at 9:00 am in the Board Room.

Meeting adjourned at 10:01 am

Sawyer County Communications Center

- The communications center has recently moved one of the four training dispatchers to regular part-time and they have begun picking up shifts. Three of the four are still in the training phases, but progressing well.
- Still utilizing patrol to assist with the voids and training in dispatch which is appreciated.
- Moving forward with ESI Net / NextGen 911 plans; several meetings have been conducted to move forward.
- Continuing to look for a suitable vendor to provide PSAP coverage to our 911 Center.
- Still waiting on hardware to integrate the hands-free headsets with the radios.

SAWYER COUNTY ANIMAL CONTROL AND CODE ENFORCEMENT REPORT

Animal Control Operations

For the month of April, Revenue from Animal Control saw an expected drop as late fees kicked in for dog licenses.

Admissions to the shelter remained steady, with most being returned to owners. Calls for at-large dogs and barking complaints remain at the top. A rise in calls for kittens and outdoor cats has been seen as well. Dogs requiring vet care have been rising slowly as more start to be picked up.

As of 5/23, the radio in the animal control squad was replaced. However, there is still no barrier that prevents dogs from getting up to the front seats. The Sheriff's Office and Hayward PD have helped with transporting dogs when needed for the time being, but as the summer season begins, it may become a larger issue if a barrier is not installed soon.

Animal Control Shelter Building

The only remaining issues at the shelter are the nonfunctioning and rusted doors, as well as the heating vents for the kennel area.

Code Enforcement - Zoning / Public Health

As the summer months are arriving, complaints for zoning and public health are becoming more common. Work continues with both departments to investigate complaints and take proper actions.

MEMORANDUM OF UNDERSTANDING
ADDENDUM (APPENDIX C)

**The State of Wisconsin,
Department of Children and Families,
Bureau of Child Support,
The Sawyer County Child Support Agency
AND
Lac Courte Oreilles Child Support Services**

INTRODUCTION:

The Lac Courte Oreilles Tribe (Tribe) began to operate a tribal IV-D child support program in 2012 and seeks to continue to have post-judgment cases involving enrolled tribal members transferred to the Tribe.

This Addendum represents the processes and procedures that are used to ensure compliance with Wis. Stat. § 801.54 governing the discretionary transfer of cases from state to tribal court. This process applies only to the transfer of post-judgment paternity cases and the child support, legal custody and physical placement action under § 767.501.

This Addendum is in addition to the Data Sharing Agreement between the Tribe and the Bureau of Child Support.

Identification of Jurisdiction and Transfer of Post-Judgment cases

A. *Tribal Child Support Agency (CSA) Responsibilities*

1. The Tribal child support agency (Tribal CSA) will, on a monthly basis, identify a list of cases to be transferred using a spreadsheet generated by the state listing all cases eligible for transfer. The number of cases to be transferred in any month will be agreed upon mutually between the parties to this agreement. The Tribal CSA will send a letter by regular mail to the parties in those cases, identifying the tribal IV-D program and informing the parties that the Tribe has requested that their case be transferred to the Tribe.
2. If any letters are returned as undeliverable, the Tribal CSA will attempt to identify a better address for the participant and, if an address is found, will resend the letter. The Tribal CSA will also update the spreadsheet.
3. Thirty (30) days after the mailing of the letter in § A.1. above, the Tribal CSA will provide the spreadsheet to the county having original jurisdiction with any updated addresses.

MEMORANDUM OF UNDERSTANDING
DCF, SAW CO. CSA, LCO CSS

4. The Tribal CSA agrees to provide the county child support agency (county CSA) with a notarized affidavit of concurrent jurisdiction or otherwise provide evidence sufficient to demonstrate the existence of concurrent jurisdiction for each case that the Tribal CSA seeks to be transferred to the Tribe.
5. The Tribe agrees to return any documents provided to the Tribal CSA by the county CSA from the IV-D case file if, at any time during the 5-year period following transfer of the case, the county court takes any further action in the proceeding pursuant to § 801.54(3).
6. The Tribal CSA shall be responsible to pay the county Clerk of Court any fees associated with the production of copies or certified/authenticated copies of documents from the court file.
7. The Tribal CSA agrees to enforce orders for payment of state-owed arrearages in all cases, state-owed birth costs in cases where the person ordered to pay birth costs is not an enrolled member of the Tribe and orders for the payment of state court ordered costs and fees, including but not limited to arrearages, costs, fees, and debts owed to the county. Unless a case has been closed under the applicable federal regulations (*see, e.g.*, 45 C.F.R. § 303.11 (eff. July 9, 2020)), collection efforts shall continue for a period of ten (10) years or until such time as the youngest adult child reaches the age of thirty (30), whichever is later, consistent with the terms of LCOTCL § DMR.6.6.040 (c). Nothing in the foregoing shall prevent the State of Wisconsin from forgiving arrearages, costs, fees, or debt owed to the State of Wisconsin, to the extent authorized by law, or require the Tribal CSA to continue collection efforts on any such forgiven arrearages, costs, fees, or debt. Neither the Tribe nor State of Wisconsin may forgive or otherwise eliminate arrearages, costs, fees, or debts owed to the County, however, and the Tribal CSA shall enforce such arrearages, costs, fees, or debts consistent with the terms of this paragraph and LCOTCL §DMR. 6.6.040.
8. The Tribe agrees when submitting a payment to the Trust Fund for state-owed arrearages, that it will submit the payment with a “purge coupon” that contains the IV-D #, Name, Dollar Amount, each debt itemized on the coupon (IV-D number required in court case field) and “LCO” written in white space on the face of each coupon.
9. Upon such time as the Tribe closes the collection action pursuant to LCOTCL § DMR.6.6.040, the Tribe will send a KIDPOL request under ‘Financial’ to adjust the case balance to zero (\$0.00).
10. At least thirty (30) days prior to the closure of a collection action under LCOTCL §DMR. 6.6.040, the Tribal CSA shall perform a reconciliation of the case balances in the Kids Information Data System (KIDS) and the Tribe’s MTS and

shall provide to the County: (1) a notice that collection efforts will cease and upon which date; (2) a certified statement of arrears still owed. The parties agree that, at that time, the County may, upon notice to the affected parties, move for entry of a judgment relating to such arrears in LCO Tribal Court.

B. *State/County CSA Responsibilities*

1. In the event that a case participant is identified as a Lac Courte Oreilles tribal member to the county CSA, the county CSA shall verify the enrollment. This verification process is waived if the participant presents a Lac Courte Oreilles enrollment card to the county CSA.
2. The state will generate a report matching enrollment data provided by the Tribal CSA with case information from KIDS and will provide a copy of that report to the Tribal CSA for their use in identifying cases eligible for transfer. At a minimum, the report shall contain the following information: name, address, DOB, Social Security Number, KIDS case number, Participant Pin, and court case number, for each case. The report will be updated at such times as mutually agreed upon by the parties.
3. The county CSA will wait 30 days after the Tribal CSA has sent a letter to the parties in cases identified for transfer to allow for the return of undeliverable mail. After the passage of 30 days, the county CSA shall file a Notice of Motion and Motion for Discretionary Transfer to Tribal Court. The Motion will be accompanied by a copy of Wis. Stat § 801.54 identifying a list of the statutory factors which the court must consider. The county CSA shall, via regular mail to the parties' last known addresses, provide all parties to a case that is to be transferred a copy of the Notice of Motion and Motion, including a copy of Wis. Stat § 801.54, as well as a notice of the parties' right to object to the transfer and the date of any hearing on the motion. (It is agreed that copies of the Notice of Motion, Motion, and notice of right to object and the hearing date will not be sent to parties whose letter from the Tribal CSA was returned as undeliverable.)
4. The county CSA will file a copy of the Notice of Motion and Motion, notice of right to object, an affidavit of mailing, and any affidavit of concurrent jurisdiction or other evidence of concurrent jurisdiction provided by the Tribal CSA with the clerk of court.
5. After the court makes its determination, the county CSA will generate and file with the clerk of court the order for transfer or denial of transfer and provide copies to the parties.
6. Within five (5) days of the date of a court order approving a transfer to the Tribe, the county CSA shall send the IV-D case file to the Tribe by way of a county

CSA representative or a Tribal CSA representative. The county CSA and Tribal CSA will mutually agree which representative will send or receive the county IV-D file. A Tribal court representative will obtain the county court file directly from the county court.

- a. If no state or county-owed obligations exist, the county CSA shall make any necessary adjustments and close appropriate KIDS subaccounts and close the IV-D case using COSC closure code and recode the case to a non-IV-D.
 - b. If state or county-owed obligations exist, the county CSA shall make any necessary adjustments and close the KIDS subaccounts associated with the custodial debts. The Tribal CSA agrees to process any payments received for state-owed debts through the Wisconsin Support Collections Trust Fund.
 - c. After transfer to the Tribal CSA, the county or state shall not take any enforcement or collection actions on any state- or county-owed debts or obligations reflected in KIDS. The foregoing shall not affect or prohibit the county or state from taking enforcement or collection actions with respect to a judgment for guardian ad litem fees and costs, that are not reflected in KIDS.
7. The State shall properly apply funds as they are identified by the Tribal CSA on the purge coupon. When funds are identified properly, according to § A.8. above, and misapplied by the State, the State bears the burden to cure the mistake.

Employees/ Schedule

We currently have two posted full-time positions for Advanced EMTs and 3 posted full-time positions for Paramedics. We have received several more applications this past month and look forward to the interview process and the possibility of welcoming some new names to the roster.

Other:

-With the purchase of new training equipment, the ambulance was able to provide recertification classes to it's employees in ACLS (Advanced Cardiac Life Support) and PALS (Pediatric Advanced Life Support). This training is required at the Paramedic level and encouraged at all other levels. This was able to be done in-house and not only saved expense, but also allowed the crews to train together at all levels improving the continuity of care they are able to give to their patients.

-The ambulance department hosted an EMS Picnic for EMS Week recognizing our area first responders including law and fire. We had a great turn out and are thankful for everyone who came out to enjoy it with us. It is rare that EMS, Law and Fire come together except on the most serious of occasions. It was refreshing to shake hands, sit down, and catch up over brats and burgers.

Upcoming:

Summer is kicking into high gear. As we work to keep both the Ojibwa and Hayward stations fully staffed and stay available to the hospitals for inter-facility transfers, we are also adding the extra responsibility of staffing event trucks for parades, sporting events, and local festivals. We take pride in our ability to serve our community and are very grateful for all our part-time staff who take time away from their summers to help us fill a busy schedule.
